

We hope you've settled in to enjoy a cocktail and perhaps some delicious food and music. While you're here, make yourself at home — flip through the books in the coffee tables, browse our family pictures in the hallway (especially our embarrassing teenage ones!) or the knick-knacks on our shelves.

As a family business, we value the people-to-people connections that go into making our products. Reid's Gin is produced from the passion of not just us four and the Distillery team, but suppliers across Canada.

We work with foragers in the Northwest Territories and northern Saskatchewan for our Canadian juniper, family farms in Saskatchewan for our coriander, a family orchard in Ontario for our apple and foragers in Quebec for our sweet fern.

Cheers & Love,

Martin, Calvin, Jacqueline & Graham Reid

Reid's Signature Gin Flavour Wheel

Reid's Signature Gin, a London dry style gin, was awarded the best Classical gin in Canada. Crafted with 11 different botanicals, some locally sourced and some wild foraged, the gin offers intense aromas and flavours of citrus peels, juniper, herbs and spices. The palate is silky with a warm finish. Create a G&T or serve over ice with soda water.

Reid's Citrus Gin Flavour Wheel

Reid's Citrus Gin shows aroma of fresh lemon, lime, grapefruit and orange peels. The palate is zesty with lemongrass and tart with wild Canadian sumac on the finish. This gin is poised to make a memorable cocktail.

Reid's Spiced Gin Flavour Wheel

Reid's Spiced Gin offers a peppery note with warming hints of cinnamon, cardamom, clove, ginger, followed by the freshness of orange peel. Elevate your Negroni with a spicy twist.
