Catering Menu

We partner with wonderful local businesses who pride themselves on providing quality Essex ingredients, and value sustainability and great hospitality. We are also able to provide bespoke options and work with alternative suppliers upon request.

We partner with our local coffee shop, Recess, for affordable yet quality daytime catering and coffee.

Nestled in the heart of Chelmsford, Recess provides a haven from the outside world. They work hard to provide a calm, steady service that honours local produce, family values, and a community that cares.

Choose Recess for hot beverages, filling breakfasts, and abundant day time lunches.

Parlour is our partner for elevated flavour and catering . Based in Essex, Parlour provide bespoke event services for any occasion - weddings, private parties, corporate functions and more. With a twist of Indian indulgence to their food, Parlour brings a slice of South East Asia to Essex in the South East!

With a penchant for community and connection, choose Parlour for more tailored or adventurous catering experiences.
