

STREET FOOD MENU

"There is no love sincerer than the love of food"

Over the past ten years, Athena's Head Chef has built a reputation for a fresh flavorsome menu that regularly wins rave reviews from clients and guests. Having provided bespoke menus for the likes of O2, Next, HSBC and Jaguar amongst others. We source excellent quality, locally sourced ingredients and have a strong team of talented chefs.

The kitchen is backed up by an experienced and effective management team who then deliver the menu in a timely manner, despite the large numbers involved. We cater for all guests with special dietary requirements and are happy to discuss these on an individual basis.

To ensure you have a balanced variety of food please choose from the following selections.
