SYDNEY CIDERY

Sydney Cidery is a contemporary craft bar serving crisp ciders, handcrafted beers, plus a generous selection of wines and spirits too. Our curated menus are perfect for creating memorable moments with a city vibe.

Born from the passion of hotel owner Dr. Jerry Schwartz, Sydney Cidery's roots trace back to Sydney Brewery, which began as a boutique brewery in the Macquarie Hotel basement. We now brew our award winning ciders and beers locally in the Hunter Valley.

The space features an urban-industrial design with oak and copper tones, herringbone floors, and a bar made from recycled brass and timber. Inside, tall tables, leather chairs, and industrial lighting create a warm, relaxed vibe. Outside, our enclosed terrace overlooks World Square and offers high tables, bar stools, and heaters.

- **Exclusive hire - up to 300 guests**
