EVENTS &
FUNCTIONS

SKYE LOUNGE *Events*

SKYE event packages are based off a minimum food & beverage spend, determined off your minimum guest numbers.

We have food & beverage packages available for you to select from to customise your event requirements because we know, no event is the same!

HOW DOES THE MINIMUM SPEND WORK?

Step 1 – CONFIRM THE MINIMUM SPEND

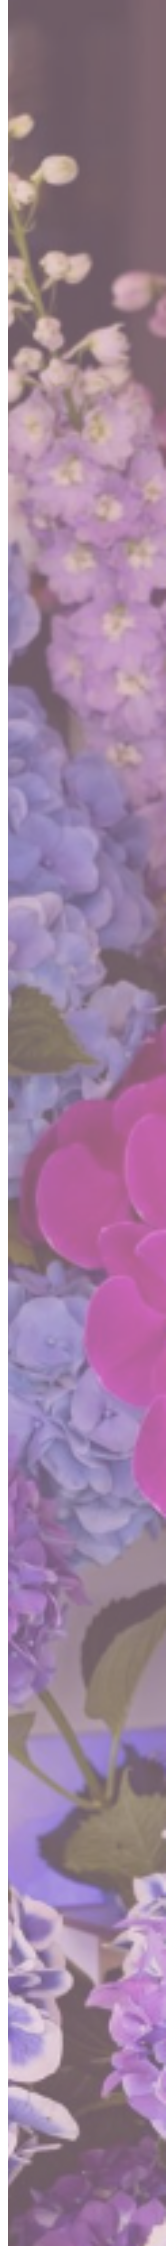

The booking is quoted at a minimum spend per person. These rates change depending on the day of your event, and the availability of that date.

The event minimum spend is determined off the rate per person and the number of guests you have attending your event.

(For example: 20 Guests valued at \$100.00 pp = Minimum Spend of \$2,000.00)

Step 2 – SELECT YOUR FOOD & BEVERAGE PACKAGE

Once you have made your food selections, we will deduct the total amount from your event minimum spend. The remaining amount will go towards your beverage TAB.
