LUNCH OPTIONS

To order, please email your option(s) and number of guests to mannisland@avenue-hq.com

1. Choose a base sandwich platter

Our caterers offer generous portions and these platters provide the equivalent to one whole sandwich and two sides per head. All base platters contain both vegetarian & vegan options (although there are also a couple of entirely veggie / vegan options too)

Please note you cannot choose more than one type of platter - this is deliberate to avoid too much choice and not enough volume of each

2. Add any additional sides

3. Add desserts

4. State the number you are catering for and the delivery time required

5. Add any specific notes and dietary requirements
