If drinks are not supplied by us, glassware will be charged at £3.00 per glass for juice and water, and £3.50 per glass for champagne flutes or wine glasses. No multi-glass discounts apply.

All glassware hire includes cleaning and polishing, table placement, and clearance at the appropriate intervals throughout the day.

All drinks can be delivered to the venue prior to the event date. Unloading and storage of drinks must be facilitated by your caterers, suppliers, or family members. Ice can be provided; however, ice baths are not included as standard.
