SPRING SUMMER 2026

BY SEARCYS

THANK YOU FOR YOUR INTEREST IN 30 EUSTON SQUARE

30 Euston Square is proud to present our 2026 Spring and Summer Menus. Managed by the renowned caterer Searcys, our food is one of the core components that brings guests back to our venue time and time again. Our Spring and Summer menus are rooted in seasonality, making the most of locally sourced ingredients that are full of flavour and colour at this time of year.

We're passionate about food and our menus are thoughtfully designed to provide fresh, nutritious options that help keep your guests energised and focused. If you're joining us for a special occasion or celebration, our canapés, bowl food, and dinner menus offer a delightful range of indulgent choices.

We also place great importance on sustainability and have expanded our plant-based offering to support both well-being and the environment.

"We designed this menu around how we want guests to feel: energised, inspired, and connected. For us, spring and summer aren't just seasons on the calendar, they mark a return to vibrant and fresh ingredients that uplift our guests during their time with us. Spring and summer are about freshness and momentum, and we've translated that into bright flavours, lighter compositions, and dishes that encourage conversation and shared experience."

Edilbert De Souza, Executive Chef at 30 Euston Square
