The Gold Bar Distillery's menu is inspired by the history of this building. Originally built as an airport for Pan Am Airways' China Clipper transpacific flying boat service. Passengers would board here and travel as far as Hawaii, Guam, Manila and Hong Kong aboard the first-class amphibious airships.

The building was a key feature in the 1939 Golden Gate International Exposition World's Fair that hosted over 17 million people on Treasure Island. The building's construction, completed in 1938, was designed in the Moderne, Jazz Age style. Take a sip and slip back in time to the Golden Age, enjoy the vibe.
