The name of this wine 'Te Henga' is our winemakers' tribute to a beach where the wind whips through the marram grass and sculpts black contours into the iron sand. OUR FAVOURITE REDS

Norton Porteño Malbec
Argentina

Red Cherry - Violet - Coffee

An English engineer called Edmund James Palmer Norton, was so struck by the potential he saw in Mendoza that he established a winery and in 1895 planted the first vines. The inspiration for Bodega Norton's Porteño label Malbec comes from a traditional street art called 'Filete Porteño', which reflects the passion and the culture of the city of Buenos Aires. This Malbec is on the easier drinking side of the winery's range, kept in stainless steel tanks for freshness it has ripe cherry flavours and hints of plum with a round finish.
