Magical Christmas  
Wonderland

AT THE VIEW

STEP INTO A  
*Magical Christmas  
Wonderland*  
AT THE VIEW

This December, let The View transport you to the snowy heart of North Pole.

Tucked high above the twinkling lights of the city, The View takes inspiration from a magical North Pole escape — a cosy winter woodland brimming with festive sparkle, enchanting décor, and the comforting scent of mulled wine in the air.

Swap the office for snow-dusted trees, seasonal cocktails, and the soft glow of fairy lights. Whether you're hosting a glamorous evening soiree or an intimate festive feast, this hidden haven high above Lincoln's Inn Fields offers a truly unforgettable Christmas experience.

Take in panoramic views of the London skyline from our elegant terrace before stepping inside to celebrate in two beautifully styled suites. Begin with welcome drinks in the Park View Suite, and dine in woodland-inspired warmth in the Conference Suite — the perfect pairing for receptions of up to 300 guests or seated dinners for up to 180.

For a more classic, timeless Christmas celebration, look at The Lumley Library packages.
